# WHOLESALE PRICE LIST

## SCHELL'S Quality Seeds

For large buyers only - - such as Market Gardeners and Florists

Schell's Quality Seeds enjoy an enviable reputation - - They are preferred by successful growers everywhere.

For nearly a half century our seeds have been well known and increasing in demand every year because of the outstanding crops they produce.

This book is meant for you who require larger quantities of seeds and are entitled to wholesale prices.

For your guidance you will receive a copy of our 1959 general catalog showing a great many of the most popular varieties of Vegetables and Flowers in their natural colors. Should you desire an extra copy just let us know.

Read that book to get descriptions but order at the Wholesale prices printed here. All quotations cover shipping costs—everything will come to you (in U.S.A.) prepaid. Please give us the name of your nearest station or tell us where Motor Truck delivery can be made to save time.

Send a check or money order covering the cost of your entire order, unless you have an account with us. To those who have accounts our terms are net July 1st or 5% discount for cash in 10 days.

New Customers wishing to open an account for seeds should furnish two (2) trade references—names of business firms who have extended credit to you recently. If you prefer to have your seeds shipped C.O.D. send 25% of the total cost with your order. Post office will add an extra fee for collection on delivery. Orders are filled promptly but you can avoid the possibility of disappointment by ordering early. Send your entire order to Schell's this year—You know how important it is to plant good seeds.

<sup>&</sup>quot;We warrant that the seeds, bulbs, and plants we sell are, at the time of delivery, as described on the container within recognized tolerances; but we limit our liability on this warranty to the amount of the purchase price of such seeds, bulbs and plants. We give no other or further warranty, express or implied."—WALTER S. SCHELL, Inc.

### NEW GOLDEN VIGORO

Complete Lawn Food Lasts longer; won't burn. Plant nutrients in Golden Vigoro are made to release and feed uniformly over a long period of time. 

### SHEEP MANURE

### For Lawns, Flower and Vegetable Gardens

The best manure you can use to make grass grow. Nothing will give such color and foliage to your flowers. It's just what Nature needs to make big, strong, healthy plants. Ten pounds for each 100 square feet is all you require. It is weedless. Used on everything in the vegetable garden. Wizard forces quick, rapid growth, improves the color, size, and quality of the vegetables, and increases production wonderfully. Not prepaid.

Be Sure to See the Many Beautiful Flowers in Their Natural Colors, in our 1959 General Catalog.

# HOLLAND MECHANICAL TRANSPLANTER

Mounted easily and quickly on most Tractors—raised and lowered by hydraulic lift.

A simple practical machine that perfectly transplants cabbage, strawberries, tomatoes, tobacco and all plants which are propagated through bedding and transplanting—including nursery and tree seedlings. Special Unit available for Celery.

Automatically waters and sets plants in their natural position. Spacing adjustable.

Unit as shown, \$186.00 f.o.b. Harrisburg \$174.00 f.o.b. Holland, Mich.

Complete attachment including water barrel and drawbar brackets for Single Unit (most tractors), \$60.00 f.o.b. Harrisburg.

Many of our customers have been using Holland Transplanters for many years

### BIRD VITA-BANDS NUTRIENT

VITA-BAND 10 for short growing periods. Will usually contain root growth up to approximately 8 to 10 weeks. Nutrient-treated with quickly available plant food . . . your judgment determines need for additional feeding. Especially good for annuals and vegetables.

VITA-BAND D contains root growth until grower chooses to let root through Band. Only quick, light pressure is needed to crack the Band. Do not remove Vita-Band D, for it disintegrates in the soil, permitting

# WEED KILLERS Improved WEEDONE®

The Weed-Killing Miracle

Contains the low-volatile butoxy ethanol ester of 2,4-D and 2.4,5-T. Kills a wider variety of weeds and woody plants than any product containing only one of these chemicals. No vapor injury to nearby susceptible plants. Kills over 100 weeds and woody plants, including dandelions, plantains, poison ivy, poison oak and brambles. Does not kill grass. Harmless to people and pets.
